## **Update to CCS Service Code Groupings (SCGs)**

Since January 2006, additional codes have been added to the CCS Service Code Groupings (SCGs). Some have just been added and are in bold and underlined. Others were added (and some deleted) as a result of the annual HCPCS/CPT codes 2005 update, when Medi-Cal initiates new codes, and end-dates other codes. These codes can be recognized by the †† symbol after the code indicating their effective date of November 1, 2005. The codes that have been end-dated by Medi-Cal have a strike-through and the †† symbol after the code.

Below is the website address for the Medi-Cal Manual that will take you to the SCGs. We suggest you include this web address in your favorites for easy access. You can also click on SCG-Medical after clicking on CMS Net System Information and Help Tools and then Service Code Groupings.
